Kvarner

The perfect combination of islands,
sea and mountains

The name Kvarner comes from the ancient Roman term Quaternarius as a meeting area of the four cardinal points and thus also a combination of different traditions and cultures. Beside the Opštija, Rijeka and Crkvenica-Vinodol coast there are four large islands – Krk, Cres, Lošinj, Rab – and in Gorski Kotar two large European mountain ranges meet, the Alps and the Dinarides.

TOP BIKE TRAILS IN KVARNER – A VARIETY OF NATURE, CULTURE, CULINARY AND CYCLING PLEASURE
The entire region is criss-crossed with themed bike trails. It is possible to enjoy the sea and mountain air on the same day. Here you can cycle through old towns and fortresses, along beautiful beaches or lakes as well as in through pine forests and labyrinths. You can also cross from one island to another by ferries and catamarans.
